Re: CG Docket - 02-278; DA 04-3836, Telephone Consumer Protection Act

I have elected to comment on Docket No. 02-278, a Petition for Declaratory Ruling filed by the Consumer Bankers Association asking the Commission to preempt certain sections of the Wisconsin Statutes and Wisconsin Administrative Code as it applied to interstate telephone calls.

I understand that I am making a public filing. Any information that I submit will be available to the general public.

My Comment to the FCC

I feel totally violated when you let these people invade my privacy, especially when we already have a law in place to prevent such calls! How stupid!! If I wanted their services, I'd call them. You think you'd get the message after how many millions of us signed up to keep you away. Do not vote for any leniency in this law. We think you all need to go to jail for trying to get in the back door.

Thank you !!
